FOR IMMEDIATE RELEASE

Bushnell Homes to Become Bushnell Group Local Company adds Kitsap Curb to its ever growing list of offerings

Bushnell Homes, a family owned and operated business that offers everything from residential custom homes and commercial developments to custom concrete and remodeling services, has changed its name from Bushnell Homes to Bushnell Group. This move was prompted by Bushnell Home's desire to create "synergy" amongst the different business offerings under the Bushnell name.

The Bushnell name is synonymous with "quality workmanship and attention to detail" said Tracy Bushnell, President of Bushnell Homes, "By adding to our service offerings, we can leverage the Bushnell name while continuing to serve the community's concrete, remodeling and housing needs." The change to Bushnell Group is effective immediately and also carries over to their commercial division.

In other related news, the Bushnell Group has announced it has acquired Kitsap Curb, a locally based company that offers custom curbing and concrete borders for yards, along driveways and for commercial applications. Kitsap Curb will continue to operate under the Bushnell Group umbrella of service offerings. Said Bushnell, "We added Kitsap Curb to satisfy growing demands for custom curbing and concrete borders. Our goal is to become a full-service shop for our client's home remodeling and building efforts." The website is www.kitsapcurb.com for those interested in seeing what Kitsap Curb has to offer them and to schedule a no-cost estimate/evaluation. Kitsap Curb can also be reached at (360) 779-CURB.
